VINEYARDS:

Trio is comprised of three vineyards: Paradise Road high above Santa Barbara, Collins Vineyard in Paso Robles and the biodynamic Wolff Vineyard in the Edna Valley. All benefit from warm climates well suited for producing Rhone varietals of the highest quality. The warm climate sourcing and depth of meticulous farming practices makes this wine one that is both juicy, smooth and built to last.

VINIFICATION:

Individual varietal and vineyard lots were vinified separately and aged in a variety of French and American oak barrels for 11 months. All punch downs were conducted by hand and the wine was aged with minimal racking and intervention. The final blend, or assemblage, was decided upon three months before bottling, enabling better varietal integration.

WINEMAKER NOTES:

The latest incarnation of Summerland's flagship Rhone-style blend benefits from the addition of Petit Syrah. Trio is inspired by the rustic, expressive and complex wines from the Sothern Rhone of France. The finished wine is layered with juicy flavors, a medium body and a wonderful silky finish of cocoa, cedar, and pepper. Petit Syrah, expressively bold, has lent not only a particular richness but also a certain aromatic lift. Grenache's unmistakable strawberry notes complement the leathery, spicy Mourvedre, while the Syrah expresses a blackberry and currant juiciness. Perfect no-brainer pairing with marinated barbecue meats and a range of hard cheese.
